

OSBORNE No. 147 BELT PUNCH

These Round Drive Punches are forged from the best grade of Tool Steel, carefully hardened and tempered, and polished completely. The hole tapers back from the cutting edge so that the punchings clear freely and require only a light blow with a mallet to cut with ease. Packed one dozen to a box.

OSBORNE No. 149 ARCH PUNCH

Osborne Arch punches are drop forged in one piece from the finest alloy steel in sizes from 3/16" to 2" diameter. Larger sizes made with our special 2 piece welded construction. A unique feature of the Osborne Arch punch is the inside taper which permits the punchings to clear easily through the barrel. Punches have fully polished barrel and black japanned handle. Stock sizes shown below:

Packed one to a box.
